Gaylord Nelson: Earth's New Day

By:Amber Thomson

Primary

“Earth Day: Saving the Planet May Cost USD 100 Billion per Year.” *Earth Day: Saving the Planet May Cost USD 100 Billion per Year*, 2019,

economictimes.indiatimes.com/news/science/earth-day-saving-the-planet-may-cost-usd-100-billion-per-year/articleshow/68991339.cms?from=mdr.

This picture displays a pair of hands holding the glowing earth. I used it at the top of each page by my navigation bar. It represents Earth and how Gaylord Nelson made it a cleaner, brighter place.

Elwell, Jona. “Casey Trees.” *Casey Trees*, 2019,

caseytrees.org/2019/04/show-your-mother-some-love-this-earth-day/.

This image was used as the background for a quote on the Important Quotes by Nelson page and displays two pairs of hands, one holding the Earth and one holding a tree.

“Gaylord Nelson and Earth Day.” *Gaylord Nelson and Earth Day*, 2019,

www.nelsonearthday.net/nelson/.

This picture is featured on my home page, it displays an image of Gaylord Nelson sitting by a stream outside, I believe that it shows a bit of his love for the outdoors and that is why I chose to include it on my home page.

Meine, Curt and Amber Thomson. 25 Jan. 2020.

Curt was very helpful in providing information about his experience with Nelson and his thoughts on Earth Day in the future. Information from Mr. Meine is featured on the *Interviews* page of the site.

Meine, Curt. "The 31st Annual Energy Fair." *The 31st Annual Energy Fair*, 2018,
www.theenergyfair.org/events/curt-meine/.

This is a photo of Curt Meine used as his interview photo on the site's page labeled Interviews.

Nelson, Tia and Amber Thomson. Jan. 2020.

Tia Nelson provided a lot of information about Gaylord before the founding of Earth Day and his idea of Earth Day. She was helpful in gaining insight about Gaylord's life pre-Earth Day. All information from Tia is featured on the *Interviews* page of the site.

Seitz, Greg. "St. Croix 360." *St. Croix 360*, 2019,

www.stcroix360.com/2019/05/from-a-st-croix-river-childhood-flowed-generations-of-conservation/.

I used this picture on the Interviews page of the site, it displays a picture of Tia Nelson hugging her father, Gaylord Nelson. It is the picture provided for the Tia Nelson Interview.

Truth, Bluth. "Senator Gaylord Nelson of Wisconsin Created The First Earth Day on April 22, 1970." *Senator Gaylord Nelson of Wisconsin Created The First Earth Day on April 22, 1970.*, 2018,

<http://www.jonathanbluth.com/truth/senator-gaylord-nelson-of-wisconsin-created-the-first-earth-day-on-april-22-1970>

This image was used as a background for the Important Quotes by Nelson page and displays Nelson standing behind Earth to represent the impact he has had on the Earth.

“Visit Vancouver USA.” *Visit Vancouver USA*,

www.visitvancouverusa.com/things-to-do/outdoor-recreation/.

This site provides a picture of Gaylord Nelson enjoying the outdoors and I believe it represents who he was. It is featured on the homepage of the site.

Secondary

“Gaylord Anton Nelson.” *EEK! - Gaylord Anton Nelson - Father of Earth Day*,

eekwi.org/nature/gaylord.htm.

I used this site to provide information about the ORAP on my *Nelson's Accomplishments* page.

Hamilton, Brian. “Gaylord Nelson and Earth Day: the Making of a Modern Environmental Movement.” *Nelsonearthday.net*, www.nelsonearthday.net/.

I used this site for many things, it provided speeches by Nelson, background in his life and some of his greatest accomplishments. I used this site while writing my *Nelson's Accomplishments* as well as to find quotes by him.

The Nelson Institute for Environmental Studies <https://nelson.wisc.edu/about/nelson-legacy.php>

This site had some very valuable information on past achievements of Nelson.
